This is an office action for serial number 10/625,023.

***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, line 13, --end-- has been inserted after "first".

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the prior art does not disclose the three leg assemblies comprising a pair of rods having first ends coupled to the platform base and the three support links assemblies comprising a pair of members coupled to said base a predetermined distance apart at a first end and coupled together at said central point.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
